Hello Brookins-Kirkland Family,

The doors to the Church are always open — even in light of the 2019 Coronavirus Disease (COVID-19). However, the doors to our church will be virtually open until further notice.

The information regarding the Coronavirus is constantly updating. The CDC's recommendation for public gatherings of no more than 10 persons with spacing of at least six feet is still in affect. In spite of the President's statement regarding congregations gathering in-person on Resurrection Sunday, at this time, **this is NOT our plan**. Our programming at Brookins-Kirkland Community AME Church remains unchanged until further notice.
